Pierre Sonier Coach of the Year Award

Submission Due Date is March 24, 2017 – please send completed form to Brenda Camick (bcamick1737@rogers.com)

Pierre Sonier was a fine SSE Coach and a fine athlete. He played many sports and being part of provincial Championship teams was not a uncommon event for him. He coached his Children in soccer, basketball and Hockey for ten years. His goal was always to build every player's self esteem and to motivate the team to do their best. He educated while he coached. Winning was a goal, but never giving up and being the best 'you' you could be was more important.

Each year this award has been given to a SSE coach in honor of Pierre. Please help us to carry on this **Coach of the Year Award** with the merging of our Associations to The London Bandits.

This Award should go to a head coach whom Pierre would admire for their love of sport and for the sacrifice of their time and energy for the children. It should go to a coach who has an unconditional commitment to each and every child. The Coach should have a competitive spirit but know what is really important in life...**The Success and Happiness of Children!**
